

Estéban Restaurant Announces Bruno & Clyde's Tasty Treats Menu  
-Because our four-legged friends deserve good food, too! --

**October 31, 2018 -- Monterey, CA--**Estéban Restaurant's terrace has long been a gathering spot for guests to dine by the open fire pit and enjoy the good food and relaxed vibe. Dogs have been welcome to hang out on the patio, but Executive Chef Gus Trejo wants to ensure that pooches also get farm fresh, organic food just like their humans. The Bruno & Clyde's Tasty Treats Menu is now available on Estéban Restaurant's terrace, located at in the heart of downtown Monterey at the Casa Munras Garden Hotel & Spa.

Chef Gus serves up a menu that he personally developed at home for his rescue dogs, Bruno and Clyde. The menu is made to order, locally sourced, with no additional salt or sugar and it is gluten free. Meat eaters will devour the *Pupsicle*, an all beef frank and blanched cauliflower, the *Pooch Patty* made of ground chuck served over brown rice or the all-time favorite *Bone Appetite*, chilled bone marrow. For the vegans (or even if they are not), *Clyde's Favorite* features roasted pumpkin, cauliflower and fresh apples. Bruno likes to celebrate his birthday any day, so your pooch can too with the *BarkDay Cake*, made of bacon, beef franks, burger patty, rice and sugarless whipped cream. Candles optional.

Estéban Restaurant is located at 700 Munras Avenue, Monterey, CA.
